Civil litigation is a crucial tool to hold dangerous extremists accountable.

(Related: in [@IntegrityforUSA](#)'s Charlottesville case, we've won default judgments against 7 white supremacist groups and leaders before trial — which starts in 3 weeks.)

Shannon Watts ✓ @shannonrwatts · Sep 30

NEW: After losing two cases regarding his Sandy Hook conspiracy theories, Alex Jones and Infowars will have to pay whatever damages a jury panel determines Jones' claims that the mass shooting was a "false flag" pulled off by "crisis actors" are worth. ...

Can lawsuits really take down violent white supremacist organizations?

Yes. But don't take it from us. Here's the [@splcenter's](#) [@MargaretLHuang](#) on the vital role civil litigation has played in fighting violent racism in America:
